Practical items

Schedule

Applications are examined from November to July, as they arise.

Admissions are closed when the class is complete.

The examination process takes around 3 weeks.

Within 15 days of notification of acceptance, you must confirm your intention to enroll in the programme whose admission is limited.

Depending on your nationality, you must also apply on Campus France website (see the website of the French embassy in your country).

Requirements

Acceptance to this course requires

- Master's degree, or
- 4-year Bachelor's degree plus at least 3 years of professional experience.

An adequate level of English as this one-year course is fully taught in English.

Process

- Fill out this application form
- Send the completed application form with the required documents to msc-seam@insa-toulouse.fr
- You will hear back from us within two weeks as to whether you are eligible.
- If you are eligible, you will be called on for an interview.
- You will hear back from us within two weeks of the interview about final admission decision.

Courses start on the last Monday in September or the first Monday in October.

Costs

Enrolment fees, excluding insurances: 9 000 Euros
